Subject: Approval – Phases 1 & 2 Fill Grades  
White Oak MSW Landfill  
Haywood County, Permit #44-07, Document ID No. 15775

Mr. Vail:

The Division of Waste Management, Solid Waste Section (Section) has completed the review of the documents titled *Phase 1 & 2 Fill Grades* (DIN 15765) and *Stability Analysis Phase 2 Western Slope* (DIN 15808). The documents were received in the Asheville Regional Office on December 13, 2011 and December 21, 2011, respectively.

This letter serves as an approval of the clarified Phases 1 & 2 fill grades and contours including the Phase 2 western slope change for construction of the waste bench to be utilized as a haul road. This approval strictly applies to the activities as submitted. It should be noted, any significant changes to the proposed activities must be approved by the Section prior to implementation.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at [allen.gaither@ncmail.net](mailto:allen.gaither@ncmail.net).

Sincerely,

Allen Gaither  
Environmental Engineer
